

What was our impact on the Foyer network in 2023-24?

Foyer engagement

9 out of 10

Foyer staff reported improved knowledge or skills from our training or programmes

62%

of our member network engaged in our quality development programme

Training

25 more Foyers are working with young people in an Advantaged Thinking way

350

staff members trained

2

new training packages developed

“I now have a good understanding of how thinking differently can really change the way I can support my young people.” -MSV trainee

Young person engagement

Young people from **58%** of Foyers engaged with us directly

Over 500

young people got involved with a Foyer Fed opportunity

“Being able to work alongside the Foyer Fed has made me really want to carry on working with them even when I have moved out of Bridge Foyer” -Morgan-Lea, young panellist

Funding

More than £85,000

in grants given to young people

£83,000

in grants given to Foyers
