

Name: Amber Cooper
Foyer: Andover Foyer
Talent Bond: £200
Purchase: A new Cannon camera

What has your talent bond enabled you to do/achieve?

My talent bond enabled me to continue my passion for photography. I really enjoy taking photos and the results are now even better with my new camera. I enjoy photography in my free time, I love capturing the moment and inspiring others with my pictures.

How has your situation changed since receiving your talent bond?

I found my dream job and Foyer staff put me forward to move on to independent living, I successfully moved into my flat in February 2017.

Will your talent bond purchase continue to support you?

I love art and photography, having won first prize in the Foyer Federation "TrustYouth" competition I treated myself to the camera and continue to take photos on a regular basis.

Comment from Amber's Foyer Support worker

"Amber was a very angry and disaffected young lady when I first met her and now she has blossomed".

Additional info from Amber

In October 2016 Amber won first prize in the Foyer Federation's "TrustYouth" photography competition. Her winning photo entitled "Baby & the Beast" depicted what she felt embodied the concept of trusting in youth and was created to challenge stereotypes.

Support more young people experiencing homelessness to achieve their dreams.
One donation - twice the impact. Midday 28/11 - Midday 5/12.
